Patients are charged a reduced fee per night to help defray costs for utilities, upkeep, and operation. The fee is based on the size of the apartment occupied and has a minimum-stay requirement of 5 nights.

Patients must live 40 miles or more from the hospital. Please note there are no medical services provided on-site nor is transportation provided to or from the hospital.

Conveniently Located

The Quarters is located in Scottsdale, Arizona less than 1 mile from the popular Old Town Scottsdale tourist destination, and approximately 8 miles from Dignity Health's St. Joseph's Hospital.

Home Away

The Quarters is a home away from home, and makes for a comfortable stay while you are waiting for or recovering from a transplant.
